Whether or not you have applied for state and federal business assistance funding, is there any type of support you need that is not currently being offered by local, state, or federal programs?

14 responses

No

reduction in rent since store front can not be used

Owner takes care of this

Have applied for state and federal funding. Application in process and waiting for more funding to be approved so we can hopefully be approved for funds. Loans/grants become crucial to our business by June 2020.

yes 1099 employees are limited as to what they can apply for

The PPP funding would have been a saving grace, if the fed passed more money and we are approved then we will be in good shape.

In hopeful anticipation that additional PPP funds are provided by Congress for

More grants / loans

Lift the stay at home order.

not currently

Contracting opportunities

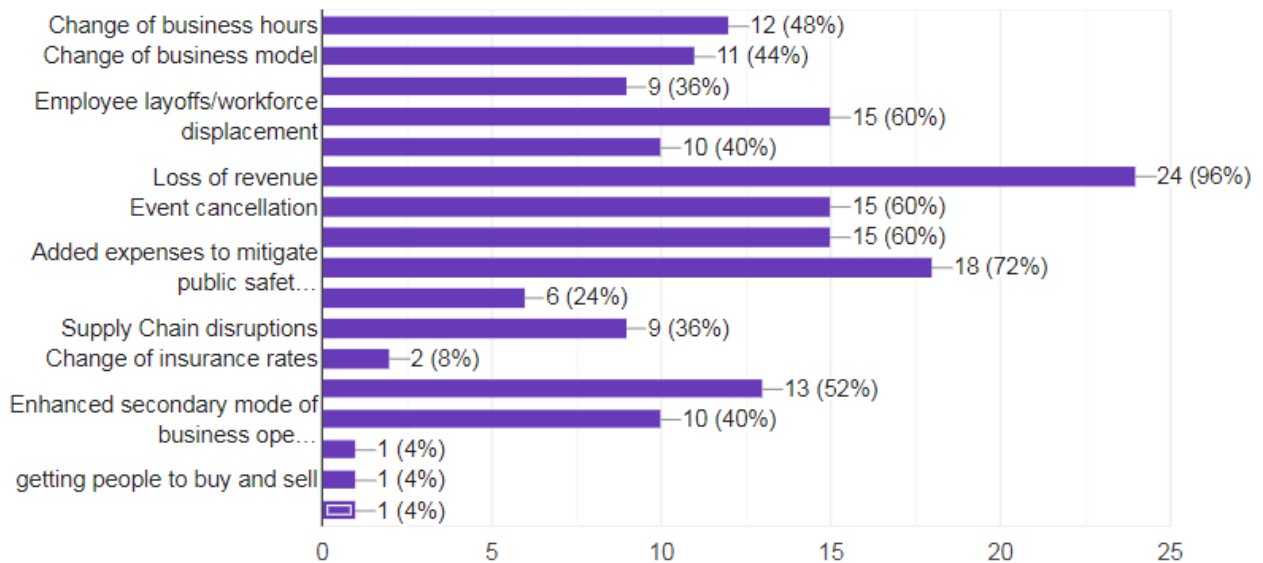

None

It would be nice if all the license fees at the state and county level were forgiven and just issued
